## What our guests think!

In recent social posts, we asked our fans what feelings some images evoked, and what makes them return every year (and sometimes 3 or 4 times a year!)

We made a little word cloud, with the most-repeated words appearing larger.

As you can see, the staff along with Jonny and Justice are a firm favourite!

## 2024 Price Increase

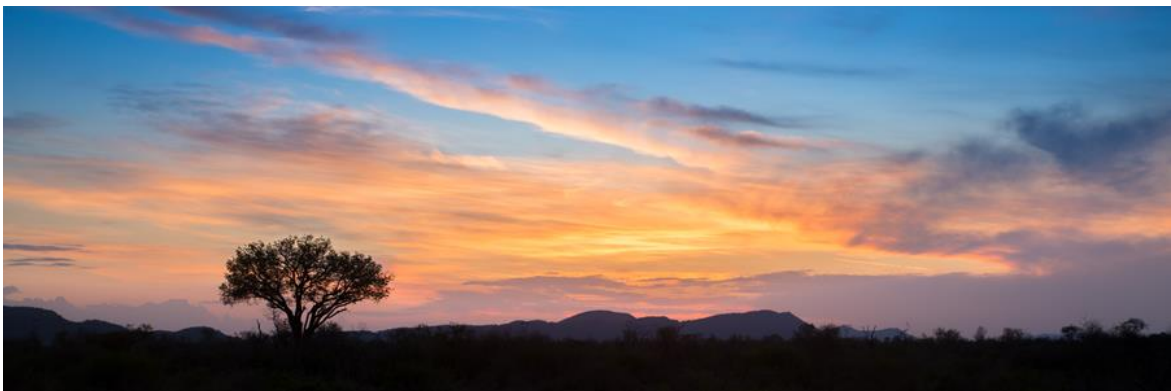

With rising costs all round, we will be increasing our standard nightly rates from the 1st of August to R4995 per person per night sharing, and R5495 per person per night single.

**Book and pay for your stay in full now to secure our current rates!**

As always, we try to keep costs as low as possible for our guests, and local South Africans currently living in SA are eligible for our heavily discounted resident rate.

**Send us an email to enquire now.**

*(We reserve the right to ask for proof of address to qualify for these rates)*

## **Winter Warmers**

With the weather starting to cool down as we move into the Autumn and Winter months (a welcome relief after the recent heatwaves!), we find a lot of guests enquiring how they should prepare for the cold...

After winding down by the welcoming fire, you can snuggle into our cozy beds equipped with exceptionally warm winter-weight duvets. We offer hot water bottles for added comfort if

needed, and we provide additional windproof blankets for you during game drives.

Gas mushroom heaters warm up the lapa and dining room on especially cold evenings.

While the evenings and mornings may bring a chill, the daytime temperatures remain pleasant, so there's no need to exclusively pack winter clothes.

## **World Rhino Day - Sunday 22nd September**

We have had many enquiries about bush walks, and whilst previously we haven't been able to accommodate this, now is your chance!

To commemorate World Rhino Day this year, and as enthusiastic participants in the Madikwe conservation effort, we're excited to announce our participation in the eighth annual **Rhino Walk** alongside other lodges in Madikwe.

Scheduled for Saturday, September 21st, this event aims to raise awareness and funds to combat rhino poaching in Madikwe Game Reserve. The walk will kick off in the morning, replacing one of your regular morning game drives.

**With very limited availability for this weekend, be sure to secure your accommodation as soon as possible by emailing us.**
