

COME GET THE DUST OF AFRICA ON YOUR FEET ...

## News from the Bush

Hello fellow Madikwe Adventurers!

We're thrilled to share some exciting news, fresh content, and a fantastic Black Friday deal. Here's what's happening at Mosetlha Bush Camp...

## The long-awaited rain!

It's happened - we've finally had rain. Many have been watching our socials with anticipation, after seeing that our (very skinny) resident impala had succumbed to a Wild Dog hunt.

Whilst the puppies need food too, it did leave behind a hint of sadness, as he's stuck around our camp for years.

On the plus side, the trees and shrubs are finally in

bloom, providing much-needed sustenance for the herbivores.

Just take a look at our blooming Mosetlha tree, right in the middle of the camp 😊

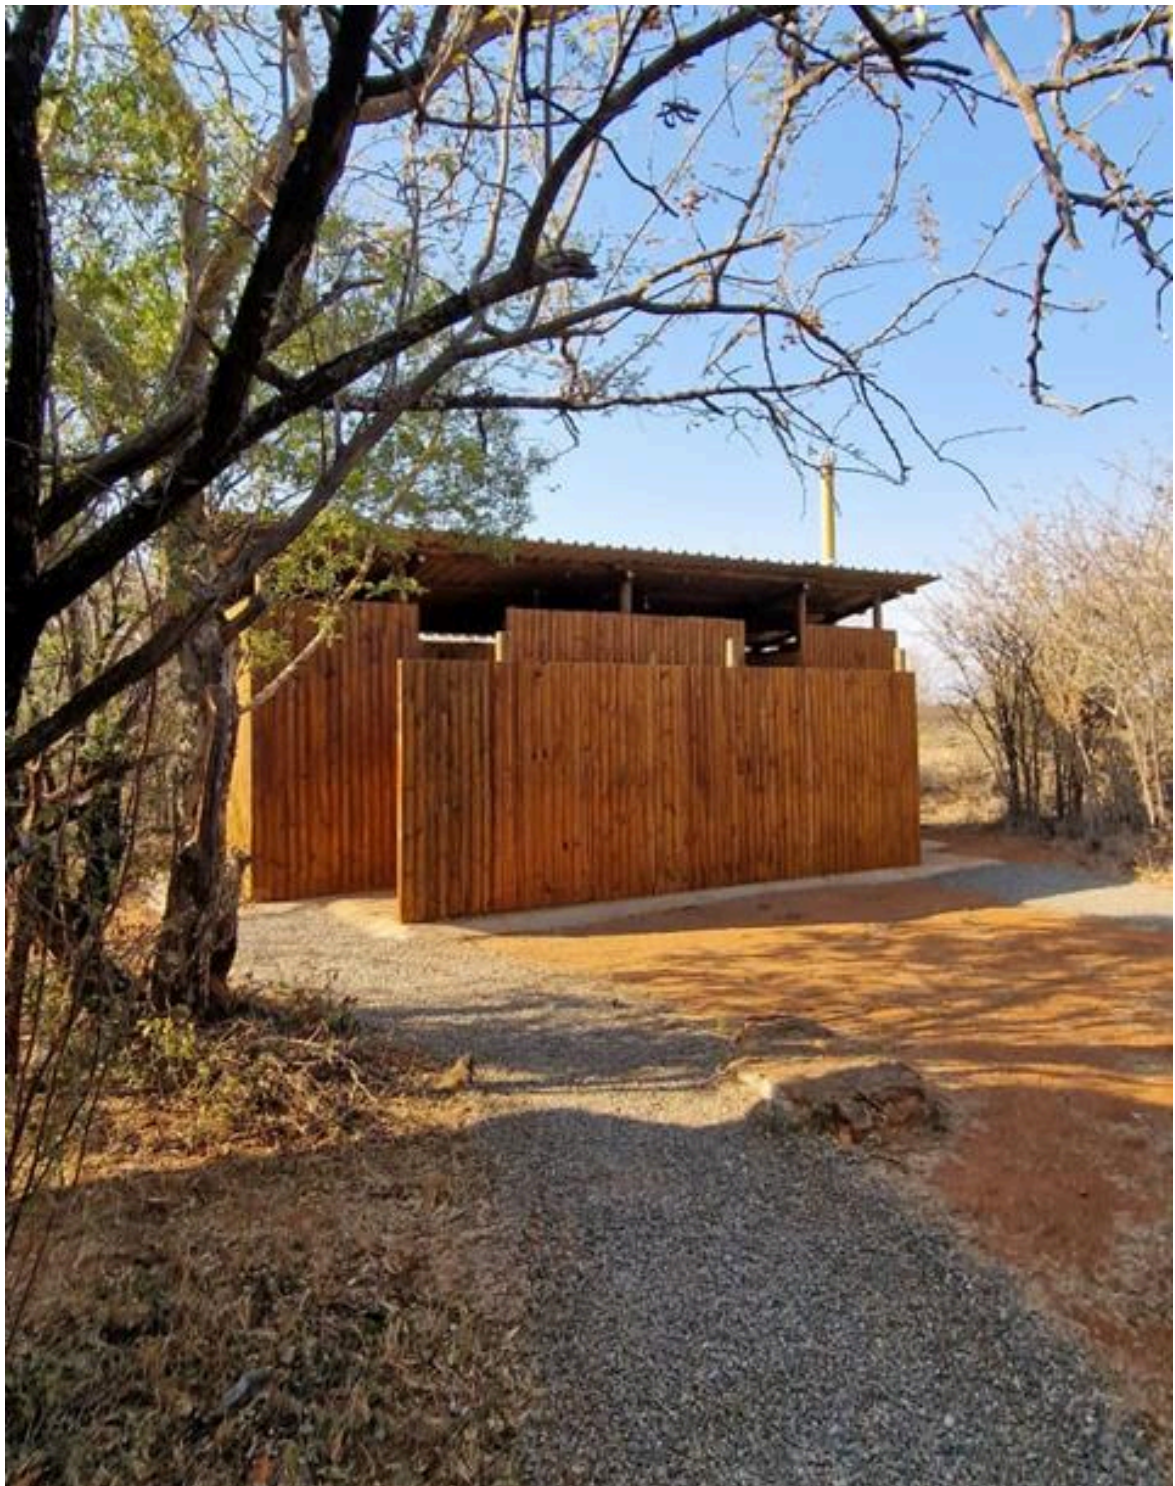

## Rustic Elegance

The news is out about our improvements to camp, and the new **PRIVATE toilets and showers** are a welcome addition, with many previous guests flocking back to experience the "luxury".

Each cabin now has its own private toilet and safari shower, adding extra comfort to your stay while keeping our eco-friendly ethos intact. Heated by our traditional donkey boiler, these updates offer rustic elegance for an unforgettable experience.

## **Ecostainable**

Over the last few months, our many international guests have been blown away by the unique, *ecostainable* experience we offer (a word used by one of our recent guests from the US).

However, some guests faced challenges booking via agents (it is worth mentioning that you can book directly with us).

If you've enjoyed your time here, please help spread the word!

Share our details with your friends and in your social media groups – your recommendation means the world to us.

### **What is "Ecostainable"?**

Unsurprisingly, "Ecostainable" combines "eco" (ecology or environment) and "sustainable," emphasizing practices that are both environmentally friendly and long-term sustainable. It's all about conserving resources, supporting ecological balance, and minimizing environmental impact while remaining practical and efficient for future generations.

Together, we're contributing to ensure Madikwe's beauty is preserved for years to come.

## Feature in our 2025 Calendar!

Calling all past guests. Do you have a stunning wildlife shot from your stay with us?

## Women's Wellness Retreat

We are thinking about introducing a transformative Women's Wellness Retreat in the week leading up to Women's Day. From 4-8 August 2025, immerse yourself in a nurturing environment that combines:

- **Guided meditations** to reconnect with your inner self
- **Daily yoga sessions** to harmonize body and mind
- **Inspirational speakers** sharing insights and encouragement

Along with our regular Moseletsha eco safari experience with twice-daily game drives

This retreat is designed to rejuvenate and empower you while surrounded by the peace and splendour of the bush.

Would this be something that appeals to you or someone you know? Let us know what you think.
