

COME GET THE DUST OF AFRICA ON YOUR FEET ...

Spring Highlights from the Bush

Hello fellow Madikwe Adventurers!

With Winter left behind in the literal dust, Spring has arrived - and with it comes the promise of renewal and the thrill of the wild.

At our little bush camp in the heart of Madikwe, nature is waking up from its Winter slumber, and the bush is alive with new growth, new additions and captivating wildlife encounters.

New Beginnings: Baby Season

As the days grow warmer, the bush comes to life in ways that are nothing short of magical. Every sunrise is a new adventure, with our guests witnessing some of the most spectacular wildlife activity, including this fabulous sighting of mum and five babies on the plains.

🐾 Fingers crossed we get to see some Wild Dog puppies soon!

New Additions

We have been working hard to improve the facilities in camp!

Did you know - along with the addition of our deck (a much-appreciated relaxation space), each cabin now has its own **PRIVATE toilet and shower?** Watch our TikTok video (link below) to see more.

We may be fairly late joining the co-called "dance app", and even though we're pretty old-skool we already have a fair few videos under our belt.
... Now we just need you!

Give us a follow 🙏, and enjoy behind-the-scenes footage, what's happening in camp and more.

Conservation Corner - Walking for Rhinos

With World Rhino Day fast approaching, here is everything you need to know...

On Saturday the 21st of September, lodges within Madikwe will join forces to celebrate World Rhino Day, with Madikwe Game Reserve hosting their annual Rhino Walk.

Walk through the bush with guides and rangers to enjoy the scenic view of what Madikwe has to offer.

The starting and finishing point is usually a market with arts & crafts and food & drinks (cash only).

The funds raised will be donated towards rhino conservation and anti-poaching efforts in Madikwe Game Reserve.

We have had many recent enquiries about bush walks, and whilst previously we haven't been able to accommodate this, now is your chance!

We have 3 cabins available to accommodate up to 6 people sharing or 3 single - be sure to secure your accommodation as soon as possible by emailing Kelly.

Family Safaris: A Springtime Adventure

Spring is the perfect time for a family safari. The bush is gentle, the weather is mild, and the wildlife is abundant. Whether you're exploring the reserve on a game drive, playing board games in the lapa during your downtime, or enjoying a peaceful evening around the campfire, there's something for every member of the family to enjoy.

We've recently hosted several multi-generational families who left with unforgettable memories, and we can't wait to welcome more families this season (*we can accommodate children 6 years and over*).
