

## ARRIVAL AT THE RESERVE

Travelling time from **Pretoria/Johannesburg** to Madikwe Game Reserve is usually between 3.5 and 4 hours, depending on the route you choose and traffic.

The route from **Gaborone** takes about one hour to Abjaterskop Gate along the R49, crossing the border at Tlokweng (details of the routes to Madikwe are provided further down).

Check-in time at the **Reserve Gate** is 12.30. Please do not arrive before this, as we are unable to accommodate you before then.

A reminder that you will need to arrive at the Reserve Gate **by 14.00 in order to make the afternoon game drive**, and the Reserve Gates close at 18.00.

We would appreciate if you could please inform [Caroline on WhatsApp +27 83 305 7809](https://www.whatsapp.com/channel/00291111111111111111) of any updates during your journey, so that we may promptly feed back any delays to the camp who will be expecting you at the time you have confirmed.

### IF SELF-DRIVING:

- **PLEASE DO NOT RELY ON GPS.** We advise that you follow our directions as closely as possible, as the closer you get to the reserve the more intermittent the signal, which can cause delays if GPS re-routes you.
- Once at the Reserve Gate, you will be given your gate entry permit and directed to the North West Parks Board (NWPB) Administration Office (Vleischfontein), which is approximately 20 minutes from either gate.
- Here you will park your car, and we will collect you in our game viewer to drive you into camp.
- Please do not drive directly into our camp, as there is no parking for guests.
- Please drive directly to the meeting point. We are notified by the Reserve Gate upon your arrival, and we will be waiting to receive you at the meeting point. There will be ample opportunities for game-viewing on the drives from camp, so there's no need to stop along the way.

### IF COMING BY ROAD TRANSFER:

- Please ensure your transfers are pre-booked **in and out** of Madikwe prior to your arrival. We do not have WiFi and, as we are so remote, signal can be sparse.
- The team from City Link/ African Journeys know the route well and can drop you directly inside the camp. Other drivers who have never been to us before will need to drive you to the meeting point.

## WHAT TO PACK

A reminder that the camp does not have electrical power supply, WiFi or land line telephones. (Cell phone contact is possible but limited.)

The staff have solar powered power points for charging batteries (subject to weather)  
- please bring a standard South African 2 or 3 pin plug, whichever fits your charger.

The dress code is Casual. In addition to your clothing, please also bring:

Light raincoat (summer)	Sun protection cream
Additional warm clothes in case of wet weather	Water Bottle
Insect repellent (Tabard/Mylo)	Cap or hat
Camera and charger   Spare batteries   Powerbank	Binoculars
Thick jacket, gloves, beanie, scarf (for winter drives)	Torch/Flashlight

We provide all bedding and towels, as well as body wash and shampoo/conditioner in your shower.

**Please do not bring your own drinks or food** without prior arrangement.

## HOW MUCH CASH SHOULD I BRING?

We understand it can be difficult to estimate how much cash to bring in total, so here's a more detailed breakdown for you:

### **Fees** (payable at camp):

*These may have been paid in advance if you have booked through an agent.*

Your one-off entrance fee is R180 per person.

The conservation fee is R275 per person per night.

### **Drinks:**

We have a lovely selection of wines, as well as other spirits and soft drinks at various prices. To work out the amount you might spend on drinks, here is some pricing guidance for you:

- Bottles of wine range from R300-450 per bottle,
- Beers and ciders are R40 each,
- 200ml bottles of spirits are R120-140,
- Soft drinks are R25-40/ can.

Whilst we don't have credit card facilities in-camp, if you prefer not to travel with so much cash, we would be happy for you to complete a credit card form for fees and drinks - it is worth mentioning though that we do need to add 5% for credit card transactions to cover fees.

### **Gratuities:**

Whilst gratuities are entirely at the guests' discretion, usually around 10-15% of the daily rate per guest is customary in the hospitality/ service industries.

So a general guideline is R400 - R600 per day per guest, as it is split between the field guides and housekeeping team.

Gratuities in cash are much appreciated, as they go directly to the staff.

**Unfortunately we cannot accept credit card tips.**

**PLEASE DO NOT POST PICTURES OF RHINOS ON SOCIAL MEDIA**
